MARGAZHI 2023-24 GUIDE

The Margazhi/December Music and Dance Season is back stronger this year! We have compiled a comprehensive list of venues and organisations who have announced in-person and online festivals.

Margazhi Music and Dance concerts usually happen throughout the day on the dates mentioned by each organiser. The morning lec-dems (usually 8am) along with the afternoon concerts are open to all and are not ticketed. However, the evening concerts (usually 4.00 PM onwards) are ticketed. Tickets can be purchased at the venue and online, in some cases.

The below list will give viewers an idea of the range of concerts happening during the season; but if you wish to get recommendations on individual artists who are upcoming and/or established [click here](#).
